Calling all Restaurants- Learn about Food Waste Recycling

A Financially Sustainable Green Strategy for Restaurants

**Thursday, November 12, 2009
2:00-3:15pm Salut Bar Americain**

917 Grand Ave St. Paul

Free to attend for 2009 REDA Members. \$10 for non-members.

Learn about the practice of separating food waste from garbage and recycling it by feeding it to livestock. This enables businesses to save money by reducing the volume and weight of garbage they have to pay to haul away.

- **Learn how to target food waste**
- **Learn effective cost-saving strategies**
- **Identify the operational, health, & safety benefits of food waste recycling**
